Come & Go

We would like to thank your church community for your many prayers. The Lord has really been with us and blessed us in the last few months during the complicated surgery and start of the recovery period of Hijlko. Please, continue to pray for complete healing. It's amazing what the power of prayer of Gods people can do! We have an amazing Creator and the Greatest Physician. To God be the Glory, great things He has done....Hijlko & Hillie Feitsma and family.
